

***What the financial Agreement is NOT:***

The Financial Agreement is not a contract, nor will it be used in any way to assess your suitability for MeadowHaven. Your acceptance into MeadowHaven’s program will not be based on information or statements of intent in this agreement.

***What the Financial Agreement IS:***

MeadowHaven’s intent is to help all former members in need, regardless of their ability to pay for services. However, because being responsible for your own healing process is therapeutic, it is expected that each resident will make a determined effort to offset the costs of his or her stay. Additionally, as our resources are limited, we must consider finances. The Financial Agreement is an opportunity for you to plan how you can contribute to your healing process. This can be accomplished by any combination of the means outlined in this agreement.

***MeadowHaven’s Operating Costs***

The approximate operating cost for each MeadowHaven resident is \$3,000.00 per month. This includes the following:

- Furnished room and utilities (water, heat, electricity)
- Food (shopping and cooking will be shared by the residents and volunteers)
- Workshops
- Support group meetings
- Informal counseling
- Individual counseling sessions
- Staff facilitation of social services

Financial contributions may come from a variety of sources. These could include part-time employment while at MeadowHaven, obtaining funding from a sponsor, savings, SSDI payments, contributions from employment after your stay at MeadowHaven, etc. For the options below, please indicate what amount you are able to contribute.

This could include (but is not limited to) minor repair work, landscaping, and maintenance beyond what is expected of all residents. If you choose to contribute in this way, MeadowHaven will maintain timesheets for your services. The hourly rate will be \$10.00 except for trade skills, which will be negotiated at a higher rate. *Available work will be dependent upon the needs of MeadowHaven.* Please list any skills that you have which you would like to help offset the cost of your stay at MeadowHaven.
